Five Variations of EASEL Kickz All-new EASEL Kickz zonal defending system (3D Cover Flow) Slot your EASEL Kickz Defending Modules as a single defensive unit that can either push forwards or lock up the space between the two forwards or backs. Direct the module's movements with EASEL Move as you create cover plans for each scenario. Aerial Maneuvers (Leverage) The new Aerial Maneuvers bring both offense and defense to a whole new level. Find the space you need to exploit and beat your opponent with trickery and aerial duels, with the right angles and heights. Aerial Maneuvers (Speed) No matter if you're charging down the midfield or blasting your opponent from open space: aerially move with EASEL Move to succeed in the most dynamic way. Control Techniques EASEL Move is available to all offensive players. Individual player's speed and control of the ball can be adjusted in real-time via the EASEL Motion Editor for those with an understanding of the game's physics. Aerial Challenge Practical high-intensity gameplay and a combination of offense and defense with EASEL Kickz' Aerial Maneuvers and EASEL Move. Show your opponents what true mastery looks like. Intelligent Defending EASEL Move also provides a variety of offensive assists for your teammates: Movement commands for running with the ball: choose the perfect receiving pass and perfect pass-back for maximum effect. Defenders can move forwards with the ball to increase team possession. Offensive players can use EASEL Move to control the ball and beat your opponent at their own game: giving yourself and your teammates the edge. INTERGALACTIC Experience play in true global soccer, as the game model includes physical, psychological and tactical parameters that influence the decisions of both your teammates and opponents. Tackle Force Tackling is brutal, so many players will be weighing up the risk of a penalty against the reward of a success — all of which has an impact on the game. The new Tackle Force gives you the tools to brutalize your opponents with the ball or without it. Match Pace Your actions, along with your opponent's
